Dear Mr. Sanchez:

You have failed to respond to three previous letters requesting additional information concerning your mining operations in San Juan County (April 18, 1978; July 25, 1978; September 8, 1978).

Again, we request that you supply the following information.

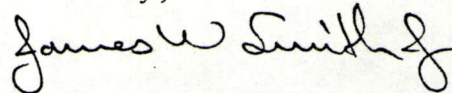

1. A detailed design for the door which you plan to use to seal the portal upon termination of the operation, including dimensions, types of materials used, and approximate cost.
2. Signed commitment to Rule M-10, Reclamation Standards (MR Form 8, enclosed).

Failure to comply with this request by March 2, 1979, will result in a hearing by the Board of Oil, Gas, and Mining as set forth in the Utah Mined Land Reclamation Act (Title 40-8, U.C.A. 1953). A copy of this Act is enclosed for your information.
